

THANKS...

Special thanks to the PAVBCA (Pa. Volleyball Coaches Association) for supporting this event. The PAVBCA spends countless hours organizing and coordinating such events for Pennsylvania volleyball players.

Also, thanks to Freedom High School for hosting this event, Freedom Head Coach John Yanek and the other District XI coaches for offering a hand throughout the planning process and the volunteer officials who are helping make this event happen.

We all wish the very best to all District XI boys volleyball seniors, both on and off the volleyball court.

Donations are appreciated.
